How It Works

Live Google Meet Class

Once you login, set your laptop to the side keeping hands and eyes on camera. You'll be able to see and hear the teacher, but won't hear anyone else, making learning easy!

Online Supports

Everything we use in class is posted to Google Classroom so you can access it throughout the week during your practice time, including video tutorials, games, recordings, and more!

Lots of Fun!

Learning alongside others helps keep students motivated and excited about playing piano.

What Equipment Do I Need?

Setup for online group piano classes is easy!

You will need the following:

- Tuned acoustic piano or a keyboard with at least 76 keys (88 keys is ideal.)
- Laptop, Chromebook, or large tablet with working webcam and microphone
- High speed internet connection
- Google/Gmail account
- Piano books - list sent upon enrollment

Enrollment Information

Tuition: is only \$90 per month - that's **less than half** the cost of private lessons, and includes all 45-minute classes, all online supports, and 1 online performance.

Payment: You will receive an invoice once you have been added to the class. Your first online payment is due before the first class.

Missed classes: No make-ups are given for missed classes, but you will receive any materials that were missed via Google Classroom.

Group Class Highlights
